

**"GWRRA RIDER EDUCATION PROGRAM ANNOUNCEMENT**  
by Susan Huttman, Team GWRRA Director, Rider Education June 16, 2022

On December 31st, 2022, my tenure as Team GWRRA Director of the Rider Education Program will conclude. For my husband "St." George and me, there will be more time with our children and grandchildren living all over US and more three-wheel adventures with our GWRRA family too.

With the release of this statement, the search for the next Rider Education (RE) Program Director is underway. Open to candidates willing to make a serious commitment the successful candidate will begin preparing for the position by participating in the training process as a Rider Education Team member. This will culminate with his or her installation as the Director effective January 1st, 2023.

Serving as Director since 2018 has been meaningful, rewarding and fun. With the unwavering dedication and outstanding work of the RE Program's team, we have been able to make a major impact on the Membership and overcame unexpected challenges by using obstacles as steppingstones to success.

To everyone who has supported the program through their participation, encouragement, and assistance, thank you.

The candidates considered for the Program Director position should be a current Level IV, possess proven knowledge of the Rider Education Program and have experience as a current or former Rider Education officer at the Chapter, District, or National level. While we appreciate candidates who are Rider Course Instructors and or HSI Instructors, it is not a requisite for consideration.

The job of the Director of the RE Program is multi-faceted requiring the organizational, administrative, and communication skills necessary to develop and maintain working relationships with Team GWRRA colleagues, Rider Education Program Assistants, Program Officers, Instructors, and Members.

A brief description of the RE Program Director position is on pages 52-53 of the GWRRA Officers' Handbook.

Should you be interested in applying for the position, please forward your introduction and resume to me: [director-re@gwrra.org](mailto:director-re@gwrra.org) and to GWRRA Director Jere Goodman at: [director@gwrra.org](mailto:director@gwrra.org) at your earliest convenience.

Any candidates attending WING DING 43 will have the opportunity for an interview. Please include your intention in the email you forward to addresses above. Other candidates will interview via Zoom calls.
